After viewing the oral history interviews with Jane Morton, John Gordon Hill, and Enrique Cerna, consider the following questions:

1. How did Jane and Enrique arrive at the fair? How did they travel and how long did it take?
2. John lived in Seattle. Who came to visit him? Where did they travel from?
3. Enrique did not live too far away, but how was being in Seattle different from his experience in the Yakima Valley?
4. Even though John lived in Seattle, each trip to the fair was like a journey to imagination. Describe how he saw the fair through ten-year-old eyes.
5. Choose one of the three interviewees and explain what impact the fair had on her/him.
